5.
Take part in our **activities** related to the major themes of the moment

6.
Meet up with your clients and prospects in Paris, the **European business hub**

7.
Extend the dynamics generated during the trade fair through your 24/7 presence on our **marketplace**

KEY FIGURES

3,000
machines in operation

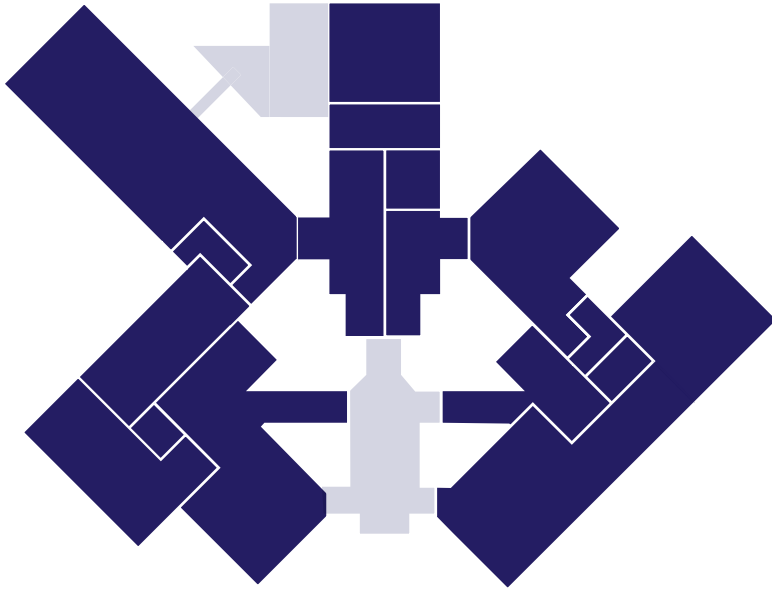

2,300
exhibitors

40,800
visitors*

15 ZONES

- Assembly, Mounting, Fastening
- Electronics
- Energies & Sustainable manufacturing
- Additive manufacturing & 3D printing
- Finishing & material treatment
- Forge & foundry
- Materials & semi-finished products
- Measurement, testing, vision, instrumentation
- Plastics, rubber, composites
- Regions & countries
- Robotics
- Services & factory equipment
- Smart: digitisation, automation, mechatronics
- Sheet metal working, metal shaping, welding
- Machining & material removal
